

Tohoku University Coronavirus Vaccination Reservation System

- ◆ Please read the “Vaccine Explanation” carefully before proceeding to reserve your vaccination.
- ◆ Students, faculty and staff who have a Tohoku University ID (<https://c.bureau.tohoku.ac.jp/id/>) are eligible to receive this vaccination. Please make an appointment three days in advance through the online reservation system. (The system is available in both Japanese and English.)

1. Online Reservation System website: <https://www.srp.tohoku.ac.jp/corona-vaccine/>

2. Please register or make the final change to the date and time for your appointment by noon three days before you are due to be vaccinated. You can change your appointment as many times as you like before that time. If you need to change your appointment due to a genuinely unavoidable reason after that time (i.e. after noon three days before you are due to be vaccinated), contact Vaccination Counseling Service.

For students: *A login is required.

<https://accounts.google.com/AccountChooser?continue=https://sites.google.com/tohoku.ac.jp/covid-19-vaccine-contact/en>

For faculty and staff: *A login is required.

<https://accounts.google.com/AccountChooser?continue=https://sites.google.com/tohoku.ac.jp/covid-19-vaccine-contact/en>

- ◆ To start, click on the link above and enter your Tohokudai ID and password in the dialog box shown on the right to log in.

- ◆ The name and Tohoku University email address that you registered when logging in will be displayed.
 - ◆ If you want notifications to be sent to another email address, please enter it in the third box
 - ◆ Select the date and time on which you want your first vaccination. (The number in parentheses will show the number of free slots for that date and time.)
 - ◆ Click the Register button to complete the reservation. The details will be sent to the email address you specified.
- * In line with Miyagi Prefecture's advice, after you have selected the time and date of your first vaccination, your second vaccination will be automatically reserved for the same time precisely four weeks later.

First Vaccination

Thu.06/24/2021 11:15-11:30(40)

The number in brackets is the number of spaces available for that date

To change the reservation, select the new date and time you want and click **Modify** to register the change. If you want to cancel, select **Not Selected** and click **Modify**.
